

# BRITISH CANOE UNION CANOE POLO COMMITTEE

## Referee Feedback Form

Hints: We all finish games annoyed with the ref. Sometime we are right and sometimes we are wrong. These forms are more useful when teams go away and think about what they want to say rather than writing in anger straight after a match. Please try to be constructive. We don't get better refs by criticising but by suggesting ways to improve. However, this form is the right way for teams not happy with the quality of a ref to let us know

Where a scale is included please mark with a X in the appropriate place
